Mastering Street Photography

Whether street photography depicts reality or not can be disputed, but I would argue that it depicts the reality of the photographer. An effective way to understand street photography is to look at the work of great street photographers, to see how it varies for each of them, and to try to understand what they were aiming to portray.

Street Photography: A Complete Guide for Beginners and ...

Sony a7 III. One of the flagships of Sony's mirrorless system, the Sony a7 III is a camera that is definitely worth considering. I chose the a7 over the a7r because I do not think you need the features of the a7r for street photography, and it is a much better price at \$700 cheaper.

The Importance of Light in Photography | Shaw Academy

Murray Street (sometimes written as Murray St.) is the twelfth studio album by American rock band Sonic Youth, released on June 25, 2002 by DGC Records. Murray Street is the first album by the band to feature Jim O'Rourke as an official fifth member to bolster the group's sound.

Murray Street (album) - Wikipedia

A flash is a device used in photography producing a flash of artificial light (typically 1/1000 to 1/200 of a second) at a color temperature of about 5500 K [citation needed] to help illuminate a scene. A major purpose of a flash is to illuminate a dark scene. Other uses are capturing quickly moving objects or changing the quality of light. Flash refers either to the flash of light itself or ...

Flash (photography) - Wikipedia

Low Key Product Photography. You have certainly seen many gorgeous product photographs with a perfectly dark background and well-lit product itself. Low key lighting is very popular in product photography because it adds a certain aura of luxury - it works really good with jewellery, watches and various gadgets such as cell phones and tablets.
