Roxie Munro uses eye-popping artwork to lead readers on a drive to the zoo in Mazescapes. Children are invited to navigate through aerial mazes with any of six punch-out cars; each maze connects to the one on the following page. Along the way, kids can play five additional games (e.g., the "ABC travel game," counting bicycles and school buses).

My 4 year old son loves mazes and maps, so this book is a real hit with him. We did several other Roxie Munroe maze books before -all intricately detailed, fun and fascinating - Mazescapes is right in line with the others and does not disappoint.
