Grade 11 Math MBF3C - Ms. Trudel's Site

Trigonometry. We end our course with a unit on trigonometry. Students will be introduced to how trigonometry is used in real life. They will develop an understanding of the basic trigonometric ratios. The Sine Law will be explored as a tool for non right-angled triangles. The Cosine Law and its application will conclude the unit and course. 16 ...

mbf3c spiral - summer school I then had the opportunity to teach MBF3C in Summer School last month. I wasn't sure if I could condense my spiral plan down to 72 lesson blocks from 90, but I figured with all the days lost throughout the school year to assemblies, buy-outs, field trips, and snow days, it would probably be comparable.
