**STAAR Resources | Texas Education Agency**

The 6th Grade STAAR Test is an exam administered to all 6th graders attending public school in the State of Texas. The test determines academic ability, and can influence a
student's future academic success throughout the State, and even the country.

2021 6th Grade STAAR Test Prep - TestPrep-Online

In grade 6, math and reading are tested while grade 7 students take reading, writing and math tests. Grade 8 tests involve more subjects: math, reading, science and social studies. After
passing grade 8 STAAR test, a student is allowed to proceed to grade 9. High school students take English I, English II, biology and U.S. history.

The State of Texas Assessments of Academic Readiness, commonly referred to as its acronym STAAR (/s t ɑːr/ STAR), is a
series of standardized tests used in Texas public primary and secondary schools to assess a student's achievements and knowledge learned in the grade level. It tests curriculum taught from the Texas Essential Knowledge and Skills, which in turn is taught by public schools.
- Wikipedia

STAAR tests measure the progress of students from 3rd grade to 8th grade, as well as high school. Texas STAAR test results provide actionable data that will help parents, teachers, and students improve academic performance in reading/language arts, math, writing, science, and social studies.
