Highland Folk Village, Kingussie, showing the different 18th century village buildings. There were three main types of old Highland cottages. In the Hebrides the earliest houses were circular, and were known as beehive houses, but later more rectangular houses were built in this area.
HIGHLANDERS' HOUSES IN THE EIGHTEENTH CENTURY - Julia Brannan
Antiquarian George Schoellkopf admits that the 18th-century Hollister House was not his first choice when he went looking for a country place in Litchfield County more than 30 years ago. He had a garden in mind, inspired by Vita Sackville-West's Sissinghurst in England, and he bought this property because it came with 11 acres of possibilities.

A new generation envisioned a grand addition to the 18th-century farmhouse as the 19th century was ushered in. The side shed was removed and replaced with a two-story, "single-pile" addition—one, large living area. Architectural Investigation revealed, however, that the addition may have been a freestanding structure.
