Building trust is not just a matter of gaining buy-in. You put psychology first: designing every move so that it resonates with customers, employees, investors, regulators, and other stakeholders. This requires care, planning, and an attitude about people that often goes against the grain.

The four building blocks of transformation
Here are 32 team building games to choose from, and none of them involve trust falls (whew): 1. What Makes You Tick. You could think of this as “what makes you ticked off”, as this is an exercise in learning about each other’s personalities and seeing what kind of personalities will clash. As a group, take a personality test together.
